Nottingham's premier discount website is here - and we've got goodies from them!

Studentbeans.com is an amazing new discount website, started by students, especially for students. It is completely free and offers massive discounts throughout Nottingham on food, drinks, cinema, haircuts: everything you need to survive the uni lifestyle! Studentbeans.com offers 2-4-1 meals at loads of restaurants and massive discounts in Ben Bowers and Las Iguanas amongst many others.

All this week, URN are teaming with studentbeans.com to give you free goodies. All you have to do is listen to our Remote Control Show between 1 and 3pm everyday and wait for the presenter to ask some questions on-air about studentbeans.com. Text in with the correct answer and you could win free boxes of jelly-belly-jelly-beans, and studentbeans t-shirts.

Remember to have a look at studentbeans.com to find out the answers to the questions!
