James Corden and Nigella Lawson amongst top student secret sex symbols

A survey from student website, studentbeans.com reveals the top celebrity secret crushes of university students in the UK.

Comedian Russell Howard and Harry Potter star Emma Watson top the boys and girls leaderboard respectively, whilst unlikely lads James Corden and Rupert Grint also feature.

Leaderboard:

	<i>The boys</i>	<i>The girls</i>
1st	Russell Howard	Emma Watson
2nd	Simon Cowell	Cheryl Cole
3rd	James Corden	Nigella Lawson
4th	Rupert Grint	Carol Vorderman
5th	Russell Brand	Fearne Cotton

Commenting on the results, Oliver Brann, Editor of studentbeans.com says, *"When you think of the very top of the celebrity pile, your mind tends to wander abroad, especially to the USA. These results reveal that it's not Hollywood glamour but our very own British talent that's doing it for UK students, even if they might not be admitting it to their mates.*

It's also notable that humour is a significant element in the secret celebrity crush, with three funny men near the top. There is also a strong cougar contingent in there too: with Nigella Lawson and Carol Vorderman there are two females born in 1960 still doing it for our students."

UK students were also asked to name the celebrities with the hottest bodies. Megan Fox and David Beckham came top. Beyonce, Katy Perry, Brad Pitt and Channing Tatum also featured on the leaderboard.
